FEDERAL WORKING GROUP

OUR MISSION: Federal Working Group provides customers with best-in-class IT and program management consulting services, based upon four cornerstones:
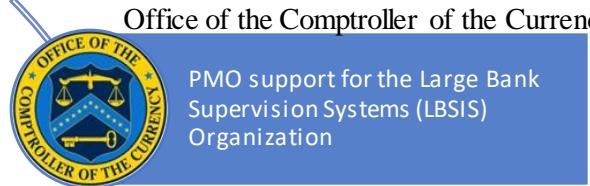

- ✓ Customer Focus
- ✓ Skilled Professionals
- ✓ Communication and Feedback
- ✓ Commitment to Quality

WOMAN OWNED SMALL BUSINESS

CAPABILITY STATEMENT

Federal Working Group (FWG) is a Northern Virginia based consulting firm specializing in Technical Solutions and Professional Services. With over 100 highly experienced, senior-level staff, we serve both Federal and commercial clients looking for a dynamic and innovative consulting approach.

PAST PERFORMANCES

### Office of the Comptroller of the Currency

PMO support for the Large Bank Supervision Systems (LBSIS) Organization

Internal Revenue Service

Business process advisory support for the Office of Strategy and Capital Planning

U.S. Census Bureau

PMO support for the 2010 Decennial Census Field Data Collection Automation (FDCA)

DIFFERENTIATORS

FWG's flexible and adaptive program management approach is tailored specifically to meet the needs of each client organization.

We provide low-risk options with sound management processes that enable us to build creative, cost-effective solutions.

Our experience in the industry has taught us to quickly anticipate trends, identify realistic approaches to problem solving, and adapt positive researched results into practical, effective solutions in real-world applications and programs.
